

IMPORTANT NOTICE
PARKING FOR THE QUALIFYING RACES - Friday, 28th June 2019

BOAT TRAILERS

NO BOAT TRAILERS WILL BE ALLOWED INTO THE BOAT TENT AREA

Upon arrival ALL trailers are to be parked on Lion Meadow under the direction of a Regatta Official. The rigging of boats may only be undertaken here and trailers will be parked in such a way as to allow room for this to be done. Under no circumstances will trailers be allowed into the Boat Tent Area, nor will trestles be permitted in front of the Boat Tent.

ONLY VEHICLES USED FOR TOWING TRAILERS OR FOR CARRYING BOATS WILL BE PERMITTED TO REMAIN IN LION MEADOW - ALL OTHER VEHICLES ARE TO BE PARKED IN BUTLER'S FIELD.

COMPETITORS' CARS

The Competitors' Car Park (opposite Leander) will not be available for the parking of competitors' cars. Accordingly, you are asked to ensure that competitors park their own cars in Butler's Field upon arrival. Lion Meadow is not to be used for this purpose.

OTHER CARS

The vehicles of all other visitors (supporters, etc.) are to be parked upon arrival in Butler's Field. Neither the Competitors' Car Park nor Lion Meadow is to be used for this purpose. **Please note, in the event of wet weather there will be no parking available for spectators.**

BARBECUES

It is regretted that barbecues are not permitted on Regatta land on the day of the Qualifying Races. **You will, however, be able to pick-up a freshly-cooked, wood-fired pizza on Lion Meadow, and crews parking in Butler's Field will be given a 10% voucher to redeem against pizza orders.**

DEPARTURE

All trailers must be removed from Lion Meadow by 10.00 p.m. on 28th June. If the Club is to remain at Henley then the trailer **MUST** be moved by that time to the trailer park in Butler's Field.
